Sixth College History and Philosophy

Established in fall 2002, Sixth College is the first undergraduate college at UC San Diego to examine culture, community, and communication through the lens/intersection of art and technology. In service of the college's motto of "Innovative, Interconnected, Aware," Sixth's multimodal and interdisciplinary approaches emphasize immersive and experiential learning, ethical inquiry, intellectual flexibility, and a fearless approach to assessing and adapting to technology.

Sixth College is dedicated to helping students acquire the interpersonal skills, technical know-how, self-knowledge, and cultural awareness needed to thrive and be effective in meeting evolving global challenges.

Candidates for the Degree of Bachelor of Arts and Bachelor of Science

**Phi Beta Kappa member or invited to membership*
+Potential University Honors for 2021–22, determined by graded units and grade point average at the time of filing. Final honors will be awarded on the basis of all completed courses and grades.

Final degree will be awarded on the basis of all completed course work and requirements. This program does not serve as a document of record or as proof of graduation.
